

COMMON SENSE LENDING IT'S IN EVERYTHING WE DO

£5K Deposit Mortgage - Their First Home Faster

For intermediary use only

Background

- A couple in their thirties with two children had been renting for several years
- They were trying to save a 5% deposit to buy a property but this was taking some time to get to a point where they could look to buy a home due to the amount of deposit needed

What did we do?

- With the £5k Deposit Mortgage scheme they were able to apply for a mortgage much sooner than they thought
- They have now completed on their first family home together
